

# Christmas Charities

Morrell Group has selected and qualified six different charities for our internal and external contest winners to choose from. These charities are all established 501(c)(3) organizations with excellent independent ratings based on transparency and financial responsibility. Morrell Group is honored to support these organizations by making a donation on our Christmas Catapult Design Contest Winner's behalf.

## **Alzheimer's Association**

The Alzheimer's Association's Mission is to lead the way to end Alzheimer's and all other dementia "by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support." To learn more, visit <https://www.alz.org/>

## **American Cancer Society**

The American Cancer Society provides funding for critical cancer research and they "attack cancer from every angle." From promoting healthy lifestyles and lifesaving policy changes to providing emotional support, they work 24/7/365. To learn more, visit <https://www.cancer.org/>

## **American Heart Association**

The American Heart Association has been fighting heart disease and stroke for nearly 100 years. They have invested more than \$4.5 billion into research for life-changing breakthroughs in cardiovascular diseases and strokes. To learn more, visit <https://www.heart.org/>

## **St. Jude Children Research Hospital**

St. Jude is "leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases." Their mission is to advance cures, and means of prevention for catastrophic pediatric diseases. To learn more, visit <https://www.stjude.org/>

## **Wounded Warrior Project**

The Wounded Warrior Project helps veterans and service members who incurred physical or mental injury while serving in the military on/after September 11, 2001 with a number of focused programs to help meet their specific needs. To learn more, visit <https://www.woundedwarriorproject.org/>

## **NFPA Pascal Society**

The Pascal Society is "dedicated to meeting the workforce development needs of the U.S. fluid power industry." This includes providing scholarships, funding educational competitions and developing various workforce development resources. To learn more, visit <https://www.nfpa.com/home/Pascal-Society/About-the-Pascal-Society.htm>
